

# Mi-Dog dog park celebrates one year

Two and four-legged friends visit at the park.

Eagle Scout Tyler Sibley and the Middlefield Dog Owner's Group (Mi-Dog) are proud to remind everyone that April 1 was the one-year anniversary of the opening of the Middlefield Dog Park. Operations are running smoothly, with an estimated 100 visitors per week. They are thrilled by the

current success of the park, as well as the number of truly satisfied visitors each and every week. Dog owners are picking up after their dogs, they have received

numerous wonderful testimonials on the benefits of the park, and there are many new "Friends of the Park."

Stop by and check out the park for yourself or visit [www.middlefielddogpark.com](http://www.middlefielddogpark.com). They are still looking for cash donations to be able to provide a shallow well hand
